ON BOARD

Lines are blurred between inside and out. From top to bottom there are amazing spaces in which to enjoy special moments with friends or family. The Amazonas deck, otherwise known as the sun deck, with its large Jacuzzi pool and surrounding sunpads, generously sized dining table and intimate bar is a relaxed place to be, offering good vibes only.

DESIGNED TO STAND OUT

The cigar lounge, or Habana room, complete with bespoke humidor, is a special spot that is reminiscent of golden-age glamour while the formal dining table in the Fitzcarraldo lounge is the ultimate area for any kind of celebration. Even the bridge has distinct style, with plenty of room for guests to spend time while underway, right at the forefront of the action.

PINK SHADOW

Whether the swim platform is used as a launch pad for the yacht's huge collection of toys or as a setting for on-the-water barbeques, the 'Tahiti Plage' area gives Pink Shadow huge versatility for entertaining, while remaining in keeping with what the yacht was designed to do: to offer a unique connection with the water and unlock breathtaking destinations for her charter guests.
