# BELLDIA

An aerial photograph of a white and dark blue catamaran sailing on a deep blue sea. The boat has a large white sail and a white cabin. It is moving from the top left towards the bottom right, leaving a white wake. The water has a textured, wavy surface.

Launched in 2025, Belldia is a Sunreef catamaran for charter that is all about enjoying life on the water. The yacht accommodates up to eight guests in four beautiful cabins. With generously proportioned living spaces imbued with style and sophistication, there are several areas in which to relax and unwind. Inside the open plan salon has abundant natural light, a large dining area and an inviting lounge space.

# HAPPY DAYS AT SEA

Outside enjoy a long lunch in front of ever-changing views on the main deck aft or soak up the sun from the large sunbathing area forward. You'd be forgiven for spending most of your time on the sun deck, where there is a bar, a dining area and large bean bag cushions. Wherever you are on board, you'll be comfortable and content.
