THUNDER

Built by Palmer Johnson in 2008 and refitted in 2026, Thunder is defined by speed, style and bold design. Looking sleek at all times, Thunder's cruising experience feels effortlessly dynamic as she cuts through the water with ease. Her open deck spaces were made for sun, fun and entertainment.

POWER WITH POISE

With accommodation for up to 12 guests, Thunder balances performance with world-class comfort. Wide exterior spaces, a bright contemporary interior and a fast top speed shape days that move easily between relaxation and adventure. From island hopping or exploring along the coast to slow afternoons on deck at anchor, Thunder brings energy and elegance together in one striking package.

THUNDER

Inside Thunder, large windows, sculpted forms and a clean palette create an atmosphere that feels both modern and inviting from the moment you step in. The layout encourages easy flow between lounging, dining and entertainment spaces.

LUXURY WITHIN

The main salon offers a comfortable, contemporary setting with refined finishes and generous seating. Natural light enhances the sense of openness throughout, while the yacht's performance oriented design never compromises comfort. Every interior space carries the same balance of style and ease, making Thunder as welcoming at anchor as she is exhilarating underway.
