SPECIFICATION

FOR SALE

ALASKA

Built by CRN and designed by Nuvolari Lenard, 46.4m Alaska is a pedigree yacht with an award-winning interior with enduring appeal. Privately operated by her current owner, she combines elegant design with a well-considered layout and the reassurance of significant recent investment.

TIMELESSLY ELEGANT

Following an extensive technical refit, Alaska is presented in turnkey condition. Stylish, well maintained and ready for extended cruising, she offers an appealing platform for long days on the water and extended time away.

Nuvolari Lenard's award-winning interior is timeless and understated, combining warm materials, refined detailing and beautifully proportioned spaces. Natural light flows throughout, giving Alaska a calm and elegant atmosphere.

AWARD WINNING DESIGN

The main salon and dining area are designed for easy living on board, while a generous sky lounge offers an additional space to relax and entertain. Comfortable and beautifully balanced, the interior creates a welcoming setting for life on board.

Alaska accommodates up to 11 guests across five beautifully appointed cabins, with a layout that gives everyone plenty of space and privacy. The highlight is the grand full-beam master suite on the main deck, complete with an adjacent private office.

REFINED RETREAT

Four further ensuite guest cabins include two full-beam VIP staterooms. Generously proportioned and thoughtfully arranged, they offer comfortable accommodation for family and friends, with a Pullman berth in the twin cabin providing added flexibility when needed.

Outside, Alaska offers generous spaces to make the most of life on the water. Her sun deck is standout, featuring a jacuzzi, large sun pads, shaded seating and a dining area creating an easy setting for long lunches, relaxed afternoons and time spent in the open air.

SUN. SHADE. SEA.

Alaska offers exceptional access to the water, with a spacious beach club, aft swim platform and inflatable dock making it easy to swim, launch toys or simply spend time relaxing at sea level.

SWIM PLATFORM

ALASKA

Following a €4 million technical refit, Alaska combines proven CRN engineering with the comfort expected of a modern yacht. Naiad stabilisers enhance comfort both underway and at anchor, while economical cruising at 11.5 knots keeps total fuel consumption to just 160 litres.

TECHNICAL EXCELLENCE

Powered by twin Caterpillar 3512 engines, Alaska reaches a top speed of 17 knots, combining smooth, capable performance with impressive efficiency.
