

FOR CHARTER

HALO

Unlike anything else afloat, Halo blazes her own trail on the charter market. The distinct exterior design is guaranteed to turn any head. But Halo is more than her iconic aesthetic; the yacht was made to cruise the world with no compromise to any onboard luxuries.

OUT OF THIS WORLD

Wellness and relaxation are top of the agenda thanks to incredible amenities such as the gym and custom pool, plenty of sunbathing and break-out spaces and a personal trainer and yoga instructor among her 14-strong crew.

Her standout sun deck, all 200 square metres of it, will leave a lasting impression while the toy selection will delight even the most insatiable water sports enthusiast. Put simply, Halo offers a charter experience of celestial proportions.
