COMPANY DESCRIPTION

Since 1888, Inscope, a small business manufacturer, has been designing products and services that are focused on the future. This allows businesses to adapt and evolve without investing in their workspaces all over again. Our versatile portfolio includes systems furniture, storage, benching and sit to stand – all of which are adaptable and built to last. Inscope's wide dealer network, showrooms in the United States and Canada and full service and support for all our clients, enable us to stand out from the crowd. We make it simple. We make it smart. We make our clients wonder why they did not choose us sooner. See it all at myinscape.com
