

TufFast™

Masonry fasteners

Application

Simple one piece method for fastening to masonry.

Key Features

- One piece masonry anchor - no plugs or inserts
- Versatile range - countersunk or 8mm hex combo head styles
- Available with safeseal bonded washers for excellent weather sealing
- Can be colour capped or lacquered to match sheet material
- Special thread form provides high pull-out strength into concrete block, hollow block, brick and other masonry materials

Datasheet
