Objective

I'm a hardworking and diligent veterinarian, freshly graduated with 3.76 CGPA. I have over three years' experience working with both large and small animals. I have extensive medical and surgical skills and very adaptive capability of working under pressure. I possess in-depth knowledge and expertise in diagnosing and treating various animals diseases. With a strong passion for delivery exceptional patient care and a commitment to staying up-to-date with the latest advancements in the field, I am confident in my ability to make a valuable contribution to your esteemed organisation.
