### ABOUT ME

As an Emergency Veterinarian with over 2.5 years of experience at Asim Pet & Vet Clinic, I have developed expertise in providing critical care, surgical assistance, and diagnostic testing for small animals in emergency situations. I have done my M.Phil. in Clinical Medicine and Surgery at The Islamia University of Bahawalpur, building upon my Doctor of Veterinary Medicine degree from Riphah International University. My skill set includes advanced patient management, veterinary surgery, and effective client communication. As a practitioner, I am passionate about advancing animal welfare and am eager to further expand my knowledge through both professional opportunities and academic growth.
