

# SAINT MINERALS®

CLEAN. CURATED. CONSCIOUS.

## About Us.

Saint Minerals is a consciously created, cruelty-free, mineral make-up range, derived from highest quality, vegan friendly, no-nano technology minerals.

Proudly Australian-made, our carefully curated capsule range is focussed on creating multi-tasking, long-lasting formulations which enhance, conceal, heal + protect the skin.

Suitable for all skin-types, all ages, all self identity + lifestyle, Saint Minerals provides clean beauty without doing harm to your skin, your planet or ethics.

## Clean Beauty.

Safe for our skin + our planet. Saint Minerals is 100% cruelty-free, vegan-friendly, ethically sourced, sustainable + authentic.

Our ingredient listing is short + transparent. Saint Minerals contains no preservatives, no fillers, no talc, toxins or fragrance which can cause skin irritation + break-outs. Made from earth's finest natural minerals, antioxidant-rich plant extracts + hydrating properties, Saint Minerals is skincare with the added benefit of colour.
