Paso Park 2'6" Medal

Hosted at the Paso Park Schooling Show Series, the Paso Park B Series, and other regional shows, the Paso Park Medal features fences not to exceed 2'6" in height. A minimum of two riders must complete the course in order for the round to qualify for points. The top four riders (if available) in the class may be asked to work off at the judge's discretion. Alternatively, the course designer may choose to integrate the test(s) into the posted course. Tests may include USEF equitation tests 1-17. This class may be run in either a jumper or hunter competition arena; jumper-style tack is permitted, no time allowed is to be considered. This class is open to all junior and amateur riders. Riders may not cross enter in the Lindsay Ashburn Memorial Green Rider 2' Medal. Finals of the Paso Park Medal will be held at the Turkey Trot & Jump show. Points from shows hosting the medal between December 1 of the previous year through October 31 of the current year or at the Turkey Trot & Jump show are eligible to qualify a rider for the Finals. Points are to be awarded as follows: 1st - 7pts, 2nd - 5pts, 3rd - 4pts, 4th - 3pts, 5th - 2pts, 6th - 1pt. Riders with 7 points or more are invited to participate in the Paso Park Medal Final. Any rider that has previously won the Paso Park 3' Medal Final is no longer eligible to compete.
