TIPS FOR A SUSTAINABLE STAY AT AL HABTOOR CITY HOTEL COLLECTION

We believe that luxury travels hand-in-hand with responsibility for our beautiful planet. So, we'd love to invite you on a journey towards a greener future, right from the comfort of your five-star haven!

JOIN US IN MAKING A DIFFERENCE:

EMBRACE THE ECO-SPIRIT:

Turn It Down: Let's save some energy! Turn off air conditioning and lights, electronics, unplug chargers when not in use & when you leave your room..

Towel Power: Help conserve water by reusing your towels during your stay. Just hang them up, and we'll take care of the rest.

Skip a Day: Reduce water usage by opting for an extra day between towel and linen changes.

Reduce, reuse & recycle: Reduce the amount of waste you produce, by using reusable bags, water bottles, and containers. Also, recycle as much as you can and properly dispose of the rest.

Conserve water: Take shorter showers, turn off the tap while brushing your teeth.

EXPLORE RESPONSIBLY:

Step Lightly: Leave no trace! Respect the local environment on your adventures and dispose of waste thoughtfully. Choose electric or hybrid vehicles for a greener commute.

Two Feet, Two Wheels: Ditch the car and explore our charming city on foot or by bike. Breathe in the fresh air and discover hidden gems.

EMBRACE ECO-LUXE:

Dine Green: We are devoted to using locally sourced and organic ingredients in our restaurants. Supports sustainable farming and decreases your carbon footprint.

Explore with Purpose: Discover the beauty of our surroundings through our eco-tours led by local guides. You'll learn about our conservation efforts and support the community.

TOGETHER, WE CAN MAKE A DIFFERENCE:

Share Your Thoughts: We're always open to new ideas! Drop an email to Reservations.Hilton@hiltonalhabtoorcity.com and tell us how you'd like to see us champion sustainability.

Spread the Word: Tell your friends and family about our eco-friendly efforts and inspire them to join the movement!

Leave with a Smile: Remember, every small action counts! Thank you for choosing a sustainable stay and helping us create a brighter future for all.

Bonus Tip: Keep an eye out for our special eco-friendly offers and events throughout your stay! We're always looking for fun ways to celebrate sustainability. Let's make your stay unforgettable, not just for you, but for the planet too!
