

EQUAL OPPORTUNITIES MONITORING FORM

Good Food Oxfordshire is striving to be an equal opportunities employer. As an employer of staff, we aim to see that no job applicant or member of staff suffers unfair discrimination based on race, cultural or ethnic background, gender, sexual orientation, disability, parental responsibility, class, age, political belief, or religion. We also aim to recruit people with lived experience of food poverty. This is an ongoing process.

To ensure that we are moving closer towards this aim, all applicants are asked to answer the following questions, in strictest confidence and without giving their name. You may return this form separately to your application form. However, if you enclose it with your application form, it will be separated from the application form on receipt. It will be used for statistical purposes only and will be destroyed once the statistics have been recorded.
