### **PA-TSA & Seven Springs Resort – LODGING POLICY**

The purpose of this message is to communicate to all TSA advisors the way in which lodging will be handled for the 2025 PA-TSA State Conference at Seven Springs Resort. The agreed-upon policy between PA-TSA and Seven Springs Reservation Department is as follows:

- Every school reservation is numbered in order as it is received by Seven Springs and that order is followed when assigning rooms.
- If schools request to be near other schools, the later of the two (or three or four, etc.) received reservations is used as the priority ranking for that group of schools.
- The hotel is filled first, followed by the chalets, followed by the condos, followed by any available additional space.
- This policy applies to both middle and high schools – no priority treatment is given to older or younger students.

### ***In effect for 2025:***

- The number of hotel rooms at Seven Springs is limited. In order to fit as many schools as possible on property, it is **STRONGLY RECOMMENDED** that students stay in triple/quad occupancy rooms and adults consider rooming with other adults whenever possible. Doing so will increase the number of schools that can be accommodated and will hopefully prevent Seven Springs from having to turn away schools.
- Any student with food allergies that require special dietary planning must contact Seven Springs directly at least three weeks prior to the start of the conference (by April 2, 2025).
- Payment for both the hotel and conference registration will be sent to new addresses this year. Please take care to ensure your payments end up in the correct location.
- **NEW** – Seven Springs plans to launch a new online system for hotel reservations this year. Stay tuned for more information.

### **OTHER THINGS TO CONSIDER WHEN PLANNING FOR LODGING FOR THE 2025 STATE CONFERENCE:**

- All projects must be registered/dropped off during the predetermined times. If this is not possible, you need to contact the Conference Director ahead of time to see if special arrangements can be made.
- Test times are not flexible. If a chapter/member is not present Wednesday night, they forfeit that testing window and will have to use the testing window on Thursday morning.
- Medals and finalist pins will **ONLY** be available during the Awards Ceremony on Saturday morning. No medals or pins will be mailed after the conference. If a chapter is not in attendance, it is the responsibility of the chapter to collect any awards the chapter may receive. The state conference planning team will not facilitate this process.
