## PA-Post

In this edition you can find more information on:

- Upcoming social media projects
- Outreach initiatives
- SOT team building
- Pennsylvania state committees

# TRIP TO MIDDLE SCHOOL LEADERSHIP FORUM

**By: William Reisner**

On October 15, four PA-TSA state officers traveled to the Capital Area Intermediate Unit as leaders for a Middle School Leadership Forum. We led three sessions of a workshop similar to a Technology Problem Solving competition, where students had 30 minutes to build a marshmallow launcher using the limited materials they had available. These students made innovative design solutions and enjoyed getting to test their launchers along with their peers in other groups.

State officers from HOSA, FFA, and FBLA led similar workshops related to the focus of each of their CTSOs. We're grateful for the invite from the Capital Area Intermediate Unit and hope to return next year!

## COMMITTEE UPDATES

**By: Boyi Chen**

This month, we opened up committee applications for PATSA's seven committees! Best of luck to everyone who applied for a Vice Chair position! All of us on the State Officer Team have some great things planned, and we're looking forward to working together with you to make our dreams a success. If you're seeing this post and realized you forgot to apply, don't worry! Although the general application deadline is November 1st, we're always looking for extra hands to help - Region Reps especially! Just send us an email!

# CABIN TRIP

**By: Harper House**

At the end of September, the State Officer Team took a trip to Elk County for our yearly cabin trip! We had an awesome time bonding, filming, and exploring Elk County. One standout memory for all of us was hiking up a 200-foot-tall fire tower. At the top, we could see all the way into New York! Another highlight was going on an Elk Tour, and seeing elk in the wild. Back at the cabin, we spent our free time learning and playing some quirky card games like Canadian Go Fish and Mao. We had such a fun time, and want to give a huge thank you to Mr. McConuoay for hosting and entertaining us!

## FILMING

**By: Ava Carmichael**

Throughout October, the state officer team has been working hard to bring you new and entertaining media content. From Q and A interviews to funny game shows, we sure have a lot planned for this upcoming season. Much of this filming occurred over our fall cabin trip to Elk County! While you may not see many of these amazing animals in our Instagram and Youtube videos, we promise you hilarious posts filled with clumsy accidents, new bumps and bruises, and of course some classic TSA humor.
