**Don't forget to follow us on social media @pennsylvaniatsa!**

# FUNDRAISERS

*By Boyi Chen*

It's almost time for our big state fundraisers! Don't forget to bring cash to the conference to help us raise money for the American Cancer Society. Stop on by Stag Pass to check out merchandise and donate to our Favorite Officer Fundraiser.

New this year as well are our fundraising milestones: at each donation goal we reach, the State Officer Team will do a fun challenge!

# EVENT ADJUSTMENT STATION

*By Poorvi Parikh*

Don't forget to pack extra materials you may need for your events. However, if you forget something, we have you covered at our event adjustment station.

# SPECIAL INTEREST SESSIONS

*By Krish Mittal*

Get ready to come to special interest sessions! We have tons of fun ways to stay involved and active at Seven Springs. Through leadership and game-based special interest sessions, there is almost always something to do!

# PHOTO BOOTH

*By Margo Wyckoff*

The photo booth is back, better than ever, during our Friday night activities. Check it out and bring some friends, all props are provided. We'll take pictures on your personal devices, as well as the option of our own camera for our state social media - @pennsylvaniatsa. Stop on by following the Business Meeting, right outside of stag pass!
