- January 20th
 - Regions 1&6, 3, and 9
- January 27th
 - Regions 2 and 5
- February 3rd
 - Regions 7 and 8

HAPPY HOLIDAYS!

by William Reisner

On behalf of PA-TSA, happy holidays everyone! Whatever you might be celebrating, we hope you and your families enjoy it. Take some time to relax and have some fun. Just don't leave all your events for January!

REGIONALS READY!

by Haley Morsorjak

Hey PA-TSA! It is the month of January and you know what that means? Regionals are right around the corner! If you are nervous for your regional competition just remember that you didn't do all of this hard work for nothing, and you should all be so proud of yourself! So make sure to take a deep breath and have fun! On behalf of SOT 46 I wish all of you good luck!

STATE OFFICER VISITS

by Charlize Amper

Did you know that the state officers come and visit the regional conferences every year? This year, we plan to have 2-4 officers visiting each region. During our visits, we run two special interest sessions: Getting Involved in TSA and Fundraising. We also love getting to spend one on one time with members of PA-TSA, so if you see us don't be afraid to say hi and be sure to check out our sessions at your conference!

FUN AT REGIONALS

by Julia Carrasco

Although we are all busy competing during the event, you might have some downtime during the conference. Try to make the most of it by making friends with some of the other competitors at your conference. Or, if your conference hosts special interests sessions (hosted by our state officers) try to attend them. Have a great regional conference!
