Programs for Adult & Child

Creative Movement (walking - age 3 with adult)

Explore rhythm, music, and motion in this joyful movement class designed for toddlers and their grown-ups. Through guided play, dance, and interactive activities, children build coordination, body awareness, and confidence, all while having fun with their caregiver by their side.

Sculpture & Pottery (ages 5+ with an adult)

In this hands-on pottery class, adults and children work side by side to create functional and imaginative clay pieces. Participants explore both hand-building and wheel-throwing techniques, guided by expert ceramic artists who specialize in working with kids. Both parent and child register. Materials and supplies provided.

Programs for 3-6 years

Art

A fun and inspiring class where kids explore color, texture, and technique through weekly hands-on art projects. From acrylic painting and drawing to collage, every class offers something new to create and take home. All materials included.

Hip Hop

High-energy and full of rhythm, this beginner-friendly dance class gets kids moving and grooving to fun, age appropriate music. A great way to build coordination, confidence, and self-expression in an inclusive space.

Ballet

Introduce your child to the beauty of ballet through gentle movement, musicality, and playful choreography. This class builds balance, coordination, and confidence in a joyful and welcoming environment. A perfect foundation for young dancers who want to grow and shine.

Programs for 7-11 years

Art (Painting & Drawing)

A fun and creative class where kids dive into color, technique, and expression through painting, drawing and collage. Each week brings a new project in a professional art studio setting. Ideal for both beginners and passionate young artists. All materials included.

Hip Hop

A high-energy dance class that keeps kids moving. Students build coordination, rhythm, and confidence while learning new routines in a fun and supportive space. Each class is designed to offer the high-level technique of competitive training, without the pressure, time commitment, or stress. These classes are body-positive and inclusive, and celebrate growth, creativity, and joy.

Ballet

A welcoming ballet class focused on musicality, basic technique, and expressive movement. Dancers gain strength, posture, and grace while building self-confidence in a body-positive space. All levels welcome.

Sculpture & Pottery

Get your hands dirty and your ideas flowing in this hands-on ceramics class. Kids explore hand-building and wheel-throwing techniques to create functional and sculptural clay pieces in a real studio. With two instructors in every class, students receive personalized guidance and real skill-building in a fun, encouraging environment. Materials and supplies provided.

Musical Theatre

Act One Productions is proud to offer an incredible theatrical and musical experience. The program is a musical presentation for kids where they will learn to act, sing and dance and have the opportunity to perform their show, Descendants, to an inviting audience in the Leah Posluns theatre, after a brief rehearsal period. The show will be directed and produced by ACT ONE (owned and operated by Alex Moses).

Programs for Teens 12-17 years

Art (Painting & Drawing)

A weekly art class for teens held in a professional studio environment. Explore a variety of media, develop technical skills, and express your creativity with guidance from experienced instructors. All materials included.

Hip Hop

A high-energy class where teens train in rhythm, coordination, and movement through fun and challenging choreography. Classes offer solid technique and performance opportunities without the stress of competition. Body-positive and welcoming to all experience levels.

Sculpture & Pottery

Teens get hands-on experience with hand-building and wheel-throwing techniques in a professional ceramics studio. Build real 3D art skills while exploring creativity and personal expression. Instructors offer personalized support in a welcoming and encouraging environment. Materials and supplies provided.
