Class Descriptions

Prosserman JCC

Aqua Fit	Barre Sculpt	Chair Pilates
Low-impact water aerobics for mobility, strength, and cardio. A great alternative to weight-bearing exercise.	This class challenges your strength and stamina while maintaining the approach of traditional barre. Low-impact exercises.	Seated Pilates for strength, posture, and stress relief.
Aqua Zumba	Beat-Based Cycle	Chair Yoga
Combines upbeat dance moves with the resistance of water for a fun, low-impact cardio workout for all fitness levels.	This class transforms traditional indoor cycling into a high-energy, full-body experience where every pedal stroke matches the beat.	Gentle yoga using chairs for support, relaxation, and mobility.
Athletic Circuit	Body Weight Blast	Chair Zumba
A full-body circuit with strength and stamina challenges.	This class is a blend of cardio and strength training using your body weight.	This class brings the upbeat energy of dance fitness to a fully seated format
Abs & Glutes	Body Weight Sculpt	Core & Balance
Focus on building a strong core and glutes to support all workouts.	This is a full body weight workout designed to tone and shape every muscle. Look good, feel strong!	Low impact class where the focus is on improving overall Core strength and Balance exercises.
Baby & Me Yoga	Bootcamp	Cycle
Nurturing class designed for parents and their little ones to bond through movement, breath, and play.	A mix of strength and aerobic training for a powerful, full-body challenge.	Ride through challenging endurance and strength intervals timed to the music. Push your limits and build stamina.
Barre	Chair Fitness	Flow Yoga
Ballet-inspired workout combining Pilates, strength, and mobility.	Low-impact class that uses a chair for seated and standing exercises to build strength, improve range of motion, and increase muscular endurance	Flow Yoga links breath with movement in a smooth, continuous sequence designed to build strength, flexibility, and focus
