Prosserman JCC Children and Family Program Descriptions Spring 2026

Program Descriptions

● Tot-Shabbat (ages 0-3)

Tots and their grownups gather together to welcome Shabbat with music and singing, gentle movement, and special activities. This warm and musical program introduces little ones to Jewish traditions in a playful, age-appropriate way, building friendships, curiosity, and connections.

● Jpop Dance (ages 5-10)

Get ready for an explosion of energy, rhythm, and creativity in this fun Jpop dance class led by Fabio, an experienced dancer, choreographer, and instructor with an international background in ballet, contemporary, and fitness dance. With upbeat pop hits, Broadway tunes, and age-appropriate Jewish pop music, dancers will learn exciting choreography while developing coordination, rhythm, and self-expression.

● Art (ages 3-6)

A fun and inspiring class where kids explore color, texture, and technique through weekly hands-on art projects. From acrylic painting and drawing to collage, every class offers something new to create and take home. All materials included.

● The Board Game Wizard (ages 5-11)

Each lesson is a new adventure! Kids ages 5-11 will explore a different board game, learn the rules, strategies, and teamwork skills while have fun. A perfect way to mingle, make friends, and discover the joy of playing new games in a lively, interactive environment.

● Terrarium Workshop

Create charming miniature garden scenes in this hands-on workshop. Participants will design tiny landscapes using plants, natural elements, and decorative details.

● Creative Movement (ages 3-6)

Through storytelling, simple ballet steps, and creative exercises, dancers will discover how to move with confidence and grace while developing focus, body awareness, and a love for dance in a fun and nurturing environment.

● Cartooning: Jewish Superheroes (ages 7-11)

Join award-winning cartoonist and animation professor David Blustein for an exciting journey into the world of Jewish superheroes. In this fun and creative drawing program, you will learn the art of cartooning and comic book design while bringing your own original heroes to life. From sketching bold costumes and expressive faces to creating action-packed scenes and dynamic comic covers, students will explore every step of the creative process.

● Adult and Child Paint Night

Join artist and graphic designer Lili Lazer for a fun and creative Family Paint Night designed for the entire family. Families will explore painting techniques, vibrant colors, and imaginative designs in a relaxed, hands-on session. Inspired by Lili's passion for pop art, expressive portraits, and meaningful Hebrew-themed artwork, participants will create their own unique pieces while sharing laughs, creativity, and quality time. No prior experience is needed - just bring your energy and enthusiasm for a colorful evening of artistic fun! All supplies are provided.

● Creative Movement (ages 6-12)

This class focuses on creative movement and coordination through hip hop inspired choreography set to modern, age-appropriate music. Students will develop rhythm, musicality, and self-expression in a fun and supportive environment. The course also introduces foundational gymnastics and acro elements, including rolls, balances, and basic strength and flexibility exercises, all adapted to each age group and skill level.

● Dungeons and Dragons (ages 13-17)

Epic Quests Await!
Dive into thrilling adventures in our Dungeons & Dragons class for teens ages 13 to 17! Craft unique characters, tackle challenging quests, make critical decisions, and team up with other players to conquer magical worlds. Perfect for sharpening creativity, strategy, and storytelling while having a blast with friends every session.

● Sculpture and Pottery

Get your hands dirty and your ideas flowing in this hands-on ceramics class. Kids explore hand-building and wheel-throwing techniques to create functional and sculptural clay pieces in a real studio. With two instructors in every class, students receive personalized guidance and real skill-building in a fun, encouraging environment. Materials and supplies provided.

● The Magic Club (ages 5-10)

Get ready for a world of wonder! Our magic classes for kids ages 5-10 teach exciting tricks, illusions, and sleight of hand while boosting confidence, creativity, and presentation skills. Young magicians will learn fun, age-appropriate techniques and amaze their friends and family with incredible feats of magic!

● Fashion Club (ages 7-14)

Design, Create, Shine!
Calling all young designers! In our Fashion Club for kids, participants will explore the world of style, design, and creativity. From sketching ideas to experimenting with fabrics and accessories, students will learn fashion basics, express their unique style, and create projects they can be proud of. A perfect space to be imaginative, have fun, and shine!
