# Schwartz Reisman Centre Children and Family Program Descriptions Spring 2026

## Program Descriptions

### Tot-Shabbat (ages 0-3)

Tots and their grownups gather together to welcome Shabbat with music and singing, gentle movement, and special activities. This warm and musical program introduces little ones to Jewish traditions in a playful, age-appropriate way, building friendships, curiosity, and connections.

### Crochet for children (ages 7-12)

This class is ideal for beginners or anyone looking to refine their crochet skills and techniques. Students will focus on mastering the fundamentals, exploring various stitches, and developing their own projects at their own pace. With hands-on guidance and expert tips, participants will strengthen their skills and gain confidence in their crochet work. Materials are provided.

### Art (ages 3-6)

A fun and inspiring class where kids explore color, texture, and technique through weekly hands-on art projects. From acrylic painting and drawing to collage, every class offers something new to create and take home. All materials included.

### Chess (ages 7-11)

In this engaging chess class, young players will explore the fundamentals of the game, including rules, strategy, tactics, and good sportsmanship. Designed for beginners and those looking to strengthen basic skills, this class offers interactive lessons and exciting games that build critical thinking, concentration, and problem-solving abilities. Pizza lunch included.

### Terrarium Workshop

Create charming miniature garden scenes in this hands-on workshop. Participants will design tiny landscapes using plants, natural elements, and decorative details.

### Hip-Hop (ages 3-6)

High-energy and full of rhythm, this beginner-friendly dance class gets kids moving and grooving to fun, age-appropriate music. A great way to build coordination, confidence, and self-expression in an inclusive space. Pizza lunch included.!

### Dungeons and Dragons (ages 8-14)

Step into a world of imagination and epic quests! Our Dungeons & Dragons class for kids ages 8-14 lets young adventurers create characters, explore magical lands, solve challenges, and work together as a team. Perfect for boosting creativity, problem-solving, and storytelling skills while having a ton of fun on every quest!

### Adult and Child Paint Night

Join artist and graphic designer Lili Lazer for a fun and creative Family Paint Night designed for the entire family. Families will explore painting techniques, vibrant colors, and imaginative designs in a relaxed, hands-on session. Inspired by Lili's passion for pop art, expressive portraits, and meaningful Hebrew-themed artwork, participants will create their own unique pieces while sharing laughs, creativity, and quality time. No prior experience is needed-just bring your energy and enthusiasm for a colorful evening of artistic fun! All supplies are provided.

### The Magic Club (ages 5-10)

Get ready for a world of wonder! Our magic classes for kids ages 5-10 teach exciting tricks, illusions, and sleight of hand while boosting confidence, creativity, and presentation skills. Young magicians will learn fun, age-appropriate techniques and amaze their friends and family with incredible feats of magic!

### Sculpture and Pottery

Get your hands dirty and your ideas flowing in this hands-on ceramics class. Kids explore hand-building and wheel-throwing techniques to create functional and sculptural clay pieces in a real studio. With two instructors in every class, students receive personalized guidance and real skill-building in a fun, encouraging environment. Materials and supplies provided.

### Jpop Dance (ages 5-10)

Get ready for an explosion of energy, rhythm, and creativity in this fun. With upbeat pop hits, Broadway tunes, and age-appropriate Jewish pop music, dancers will learn exciting choreography while developing coordination, rhythm, and self-expression.

### The Board Game Wizard (ages 5-11)

Each lesson is a new adventure! Kids ages 5-11 will explore a different board game, learn the rules, strategies, and teamwork skills while have fun. A perfect way to mingle, make friends, and discover the joy of playing new games in a lively, interactive environment.

### Cartooning: Jewish Superheroes (ages 7-11)

Join award-winning cartoonist and animation professor David Bluestein for an exciting journey into the world of Jewish superheroes. In this fun and creative drawing program, you will learn the art of cartooning and comic book design while bringing your own original heroes to life. From sketching bold costumes and expressive faces to creating action-packed scenes and dynamic comic covers, students will explore every step of the creative process.
