Group Exercise

Class Descriptions

Prosserman JCC

Aqua Fit	Barre Sculpt	Chair Pilates
Low-impact water aerobics for mobility, strength, and cardio. A great alternative to weight-bearing exercise.	This class challenges your strength and stamina while maintaining the approach of traditional barre. Low-impact exercises.	Seated Pilates for strength, posture, and stress relief.
Aqua Zumba	Beat-Based Cycle	Chair Yoga
Combines upbeat dance moves with the resistance of water for a fun, low-impact cardio workout for all fitness levels.	This class transforms traditional indoor cycling into a high-energy, full-body experience where every pedal stroke matches the beat.	Gentle yoga using chairs for support, relaxation, and mobility.
Athletic Circuit	Body Weight Blast	Chair Zumba
A full-body circuit with strength and stamina challenges.	This class is a blend of cardio and strength training using your body weight.	This class brings the upbeat energy of dance fitness to a fully seated format
Abs & Glutes	Body Weight Sculpt	Core & Balance
Focus on building a strong core and glutes to support all workouts.	This is a full body weight workout designed to tone and shape every muscle. Look good, feel strong!	Low impact class where the focus is on improving overall Core strength and Balance exercises.
Baby & Me Yoga	Bootcamp	Cycle
Nurturing class designed for parents and their little ones to bond through movement, breath, and play.	A mix of strength and aerobic training for a powerful, full-body challenge.	Ride through challenging endurance and strength intervals timed to the music. Push your limits and build stamina.
Barre	Chair Fitness	Flow Yoga
Ballet-inspired workout combining Pilates, strength, and mobility.	Low-impact class that uses a chair for seated and standing exercises to build strength, improve range of motion, and increase muscular endurance	Flow Yoga links breath with movement in a smooth, continuous sequence designed to build strength, flexibility, and focus

Group Exercise

Class Descriptions

Prosserman JCC

Gentle Yoga	Muscle Fusion	Pilates
Slow-paced yoga for balance, relaxation, and all levels.	This workout combines three key components. Strength, cardio, and functional movement in one .	Strengthen your core and improve posture with controlled movements.
Hatha Yoga	Muscle Mix	Pilates Foam Roll
Improve mobility and strength with posture and breath-focused practice.	A blend of cardio and strength with adjustable intensity.	Pilates with foam rolling for strength, stretching, and recovery.
HIIT Cycle	Muscle Sculpt	Postnatal Power Pump
Power through high-intensity intervals (HIIT) that push your limits and elevate your fitness	Resistance training that tones and strengthens the whole body.	Rebuild strength and energy with postnatal-focused cardio, strength, core, and stretching in a supportive environment for new moms.
Iyengar Yoga	Nia Dance	Power Yoga
This practice focuses on the structural alignment of the body through poses held for longer periods.	A fusion of dance, martial arts, and yoga that energizes body and mind.	This dynamic class blends the vigor of Ashtanga with the seamless flow of Vinyasa, creating a powerful and energizing practice
Iyengar Yoga for Beginners	Pee Wee Pilates	Restorative Yoga
Slower pace practice that focuses on the structural alignment through poses held for longer periods.	A low-impact class for new moms to regain strength, improve posture, and bond with their babies through gentle movement.	Relax deeply with supportive poses and mindful breathing.
Mobility & Stretch	Performance Cycle	Step & Sculpt
A class designed to improve flexibility, joint mobility, and overall movement quality. Guided stretches, controlled mobility drills to support better posture.	Ride through a challenging mix of both strength and endurance intervals with the goal of ultimate performance.	Dynamic class that will get your heart rate up with fun step choreography.

Group Exercise
