CONSORCIO

Tuna.

In 2019 we created the Tuna jar in **extra virgin ecologic olive oil**. The oil comes from organically certificated farming, which means the product is wholly produced using natural farming practices and resources, to achieve a completely organic delicacy.

The Tuna used in this product additionally comes from a fish supplier that has been independently **certified by the Marine Stewardship Council's** standard as a well-managed and sustainable fishery. (www.msc.org).

MSC Tuna Fillets in Extra Virgin Ecologic Olive Oil – Jar 195g

Net weight: 195 g.

Gross weight: 130 g.

Tuna.

CONSORCIO®

Anchovies.

Anchovies are considered to be an **exquisite culinary food**, and more so when they are preserved in premium olive oil. Caught in the **Cantabrian Sea** during optimum season between the months of April and June, this ensures only the highest quality anchovy are served to our consumers.

**Anchovy Fillets in
Olive Oil – Jar 100g.**

Net weight: 100 g.
Gross weight: 55 g.

CONSORCIO

Anchovies.

Our Anchovies are packed and matured in a special process carried out in salting barrels. Our heritage continues to be part of our core values, ensuring all of our practices from sourcing to cleaning and packing are all carried out individually by hand.

The anchovies are preserved in premium olive oil which helps to maintain the delicate flavour and characteristics of the fish, a standard we maintain throughout all of our products.

**Anchovy Fillets Gold
Quality in Olive Oil –
Tin 74g.**

Net weight: 74 g.
Gross weight: 50 g.
