PROFILE

I specialize in creating user-friendly responsive web pages, backed by one year of commercial freelance experience. My coding is high-quality and designed for easy maintenance by fellow developers. I'm committed to staying up-to-date with the latest trends and technologies, continuously evolving in my field. By showing interest in your project, I genuinely look forward to being a valuable part of its realization.

WORK EXPERIENCE

Front-end developer

2023 - present

I create user-friendly responsive web pages based on best practices.
Freelancer on [Upwork](#) and [Weblancer](#)

PROJECT EXPERIENCE

- Last project - [Travel agency TVL](#)

Travel agency. The site has nice smooth animation while scrolling the page. A high quality adaptive and modern design attracts a lot of attention of users

- Others works you can see in my [PORTFOLIO](#)
