

Beaded Sardine Charm Tutorial

- Supplies: 4mm seed beads (3mm works too)
 26 guage jewelry wire
 6mm - 9mm Sequins
 Swivel Lobster Claw Clasps
 5mm Jump Rings
 Jewelry Pliers (optional but very helpful in some instances)

Find links to all items needed on the Beaded Sardine Charm Blog Post on woollypetals.com.

- Follow along with the Tutorial Video on YouTube.
- Cut a wire 6 ft long for a double sided Sardine or 3 ft long for a one sided Sardine.
- Use the diagram below to help with location and row size.
- To make a Sardine style fish add at least 4 more rows in the middle with 6 beads to elongate the fish to a sardine.
