

Armed Security Guard Services in California for Commercial

Our licensed armed security guards deliver reliable protection for commercial properties, events, and sensitive facilities across California. With trained personnel, advanced protocols, and a proactive stance, we safeguard assets, staff, and visitors while maintaining a calm, professional environment. We tailor security plans to match site-specific needs, ensuring rapid response, controlled access, and meticulous incident reporting. Trust 3B Security to provide enhanced deterrence, risk mitigation, and peace of mind for every assignment.
