- d) Ban on use of plastics
- e) landscaping with trees and plants

b) Restricted entry of Automobiles

In some area in campus automobiles entry restricted.

b) Use of Bicycles/Battery powered Vehicles

About 10% students used bicycles.

c) Pedestrian friendly Pathways

The roads inside the campus are pedestrian friendly as all vehicles are compulsorily parked in the parking area.

d) Ban on use of plastics

Efforts are taken by the Institute to create plastic free campus. Students and staff are counseled against use of plastic.

e) landscaping with trees and plants

The college has a large number of trees throughout the campus. It also has lush green lawns. Trees like Neem, Palm and Gulmohar are planted in large numbers. It is helping for better environment conservation. More trees are planted each year to beautify the campus and to achieve eco friendly environment. The maintenance of garden and plants has been outsourced and proper care is taken. “Environmental Studies” is a compulsory subject taught at 3rd/4th semesters of all disciplines. This helps in inculcating awareness about the environment issues among the students.
