

## **7.2.1 Best Practice**

### **BEST PRACTICE I**

#### **Campus Recruitment Training (CRT):**

CRT program is exclusively designed for the students in order to make them ready for placements. It is focused on ensuring that the students are well equipped to get through the recruitment process of various IT and Core companies by gathering the inputs from the job-seekers and placement-providers. This program is implemented through an external renowned agencies which have expertise and credentials in grooming the students. These agencies hail across the state and nation.

The program has different modules for aptitude test, group discussions, reasoning and personal interviews.

#### **1. Title**

Empowering students with Campus Recruitment Training.

#### **2. Goal**

- a) To enhance employability skills.
- b) To assist students in cracking the aptitude tests.
- c) To provide grooming environment through personalized coaching and group activities.
- d) To enhance overall personality.

#### **3. The Context**

While there are always job-specific skills that an employer is looking for, most recruiters also want to have some general skills. These general job skills also count for “employability skills” or “soft skills”. Employability training identifies the student’s employability skills, combines them with improved self-awareness, and prepares them for getting placement. In view of this the Institute has emphasized on grooming the students which is complemented by the outcomes.

---

#### **4 The Practice**

Following practices are carried out under CRT module:

- Tips on Aptitude Test Preparations & Cracking

- The practice has resulted in increasing the placements. There is increase of around 30% placement over the period of last 5 years.
- The said module has helped the students to get placements even after they got passed out.
- The preparations of quantitative aptitude, reasoning, verbal communication has helped them to prepare well for competitive examinations.
- The confidence level and body language has significantly enhanced.
- It has helped to enhance competitive environment amongst students.

## **6. Problems encountered and resource required**

- As the complete module was required to be conducted at a stretch, the curriculum timings were required to be re-adjusted. Accordingly it was done and academic activities were not hampered. The extra lectures were conducted against this activity.
- The placement companies are having varied criteria for selection of students. In order to normalize it, a specific module covering maximum criteria was implemented.

## **BEST PRACTICE II**

In order to assist the students in their studies and to monitor their academic performance, Teacher Guardian (TG) scheme is implemented.

Under this scheme 15-20 students were allotted to each faculty member.

**1. Title :**Teacher-Guardian Scheme

**2. Goal:** To enhance academic performance of students through personal counseling and to resolve issues, if any.

### **3. The Context:**

In the context of current social scenario, there is need for counseling the students. Students face many inter personal issues. In order to overcome these and to take out the best out of them, guidance & counseling is required. After taking admission to the Institute, a mechanism is required to guide and counsel the students. Teacher Guardian scheme is implemented in this context.

### **4. The Practice:**

Under the Teacher Guardian Scheme, following processes and practices are carried out:

- 15-20 students are allocated to a faculty member
- At the start of an academic year, the TG scheme gets started.
- Notices regarding the same are circulated
- TG collects data in a format like contact details of student, parents, Local Guardian, earlier results etc.
- The students meet TG every fortnight.
- TG updates records of students like daily attendance, test results, internal assessment, assignments, activity details, co -curricular & extracurricular activities etc.
- In case of any problem, the TG counsels and guides the student
- It helps students to concentrate on their studies
- TG provides comprehensive advice on career, courses and jobs that can enable the student to make a proper and informed choice and understand what they can do after they are done with engineering.
- It helps to shape a student's behavior and also instill enough discipline in them.
- It relieves the burden and worries of parents and lessens their anxiety.

- 
- It helps students to improve personal, home and family relationships, depression, anxiety and loneliness.

#### **5. Evidence of success:**

- The disciplines amongst students have increased which is evident from the fact that there was not a single case of in-discipline.
- It has helped to increase the academic results
- With the boost in confidence level, students have participated in many technical, curricular and extra-curricular activities.
- It has helped to enhance cordial relations amongst stakeholders

#### **6. Problems encountered and resources required:**

In the initial phase of implementation, students were resisting to open up. But in due course of time this problem was resolved after proper care.

### Report-

On 10<sup>th</sup> September, 2020, Nagpur Institute of Technology, Nagpur College successfully completed the event of Tree Plantation under the National Service Scheme at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO<sub>2</sub> . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects today.

The event began with the welcome of Dr.Amol Deshmukh, Dean Academics, NIT, Nagpur. Welcome speech was given by the Dean Academics. At that time Dean Academics advised to volunteers to think differently for the Society to make positive changes and to make improvement.

After the inspirational words of Dean Academics we all move towards the place where tree plantation took place. Principal Sir planted the very first tree in college premises and then Mr.S. Kale, Registrar, NIT, Nagpur also planted a tree. Total trees planted by all others including teachers and volunteers were more than 15 on the day.

All were happy and experienced proud moment after the tree plantation event was finished, because it really feels great to do positive for the nature.
