## E- Waste Mangement policy

**E-Waste Management:** - E-waste management policies are crucial for addressing the environmental and health hazards associated with electronic waste (e-waste)

**Action taken:** Some of the e -waste generated is used for technical education purpose by making use of hardware in laboratories for display and study. Some of the components are being used for demonstration purposes. Electronic goods are put to optimum use. Damaged computers are sold to scrap vendor. UPS Batteries are exchanged with the suppliers. Obsolete computers are buy-backed with new ones. Collected E-waste from the college are sold to "ELECTROPRO Technologies Pvt. Ltd.
