

# NEW RUNWAY. NEW HORIZONS.

## Sunshine Coast Airport's New Runway

An expanded Sunshine Coast Airport will provide more ways to explore Australia and the world, drive sustainable tourism growth and deliver new business opportunities while enhancing our enviable coastal lifestyle.

### Safety

We are unrelenting in our focus on safety. The welfare of our passengers, customers, staff, tenants, neighbours and visitors is always our number one priority.

### Connectedness

We are focused on supporting our visitors and creating more frequent connections for our community to do business and visit family and friends nationally and overseas.

### Sustainability

We are Australia's first carbon neutral airport. We will continue to work to find innovative ways to protect and enhance our local environment.

### Community

We will work collaboratively with our local community to ensure our facilities and services meet its needs and reflect our region's unique character.

### Regional growth and opportunity

Our expanded facilities will spur tourism growth, connect businesses and create new opportunities for Sunshine Coast agribusinesses and producers to share their products with the world.

Sunshine Coast Airport is here for the Coast. Contact us via our website, email, phone or social media.

#### Acknowledgement of Country

Sunshine Coast Airport acknowledges the Kabi Kabi people as the traditional custodians of the land on which we operate.

## Safety

The new runway is **optimally aligned** to prevailing winds.

We are **committed to improving strategies and initiatives** to ensure everyone gets where they need to be, and back home again, safely.

## Regional growth and opportunity

Bigger planes mean new opportunities to grow our region's **\$700 million** agribusiness industry.

More flights means more benefit to our **local economy**.

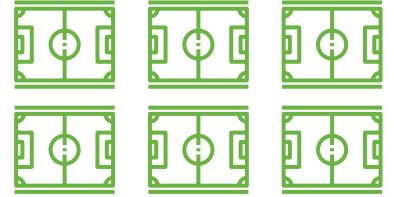

The economic value of each SCA domestic and international flight.

More than **2000 people** employed directly or indirectly through the airport by 2040.

## Sustainability

**51**  
football fields

of **preserved** vegetation and environmental offset areas.

We are Australia's **first carbon neutral** airport.

Plans for new **composting, rainwater harvesting and solar energy** generation projects.

New approach and departure **procedures** for the new runway will result in **lower aircraft fuel burn and emissions**.

## Connectedness

More **flights**, more **often**, to more **destinations**.

New **opportunities** to do business on the Coast.

## Community

Reduced **noise impacts** for thousands of residents.

We will grow incrementally, to help maintain the relaxed feel of the Sunshine Coast we all love.

We will **work with our community** to shape key projects in the Airport's future.
