

SCHEDULE 3 - AVIATION CHARGES

These Conditions govern the provision of Facilities and Services at Sunshine Coast Airport. Users may negotiate alternative arrangements for the use of the Facilities and Services in written binding agreements with SCA, referred to as Aeronautical Services Agreements (ASA). Some of the terms of these Conditions may apply in addition to the terms of an ASA.

The following Aviation Charges and Government Mandated Charges, as varied from time to time, apply for the use of the Facilities and Services and are effective from 1 July 2023 unless otherwise indicated. SCA reserves the right to levy charges in addition to those described below for the provision of Facilities and Services provided that reasonable advance notice has been given.

All charges exclude GST unless otherwise indicated and are subject to Clause 13 (Goods and Services Tax) of the Airport Conditions of Use.

Aviation Charges

1. Passenger Facilitation Charge (PFC)

The PFC applies to all arriving and departing passengers on scheduled RPT flights using our Airport Terminal, unless other arrangements are agreed in writing:

Passenger Facilitation Charge (PFC)	Effective 1 July 2023

The PFC is expected to be cost-reflective, when adjusted for inflation, over the long term. It has been determined using forecasts of costs and passenger numbers and may be updated from time to time.

2. General Landing Charges (GLC)

The GLC applies to all aircraft operations at Sunshine Coast Airport, other than scheduled RPT flights or unless other arrangements are agreed in writing. Private charter operations are subject to the GLC in addition to the PFC unless other arrangements are agreed in writing.
