## 1. About the Community Support Fund

Sunshine Coast Airport Pty Ltd as Trustee for the Sunshine Coast Airport Trust (SCA) is a proud supporter of the local community.

Sunshine Coast Airport exists to connect people and enhance the region and works to balance the natural and economic benefits which drive our future. Our success also relies on support from passengers and visitors to the airport and the Community Support Fund is one way we are sharing this success.

The Sunshine Coast Airport Community Support Fund has been established to provide grant funding to community groups and organisations to assist them in delivering initiatives that support local community, tourism, cultural, sporting, educational and environmental activities in the Airport Region (Sunshine Coast and Noosa local government areas).

The Community Support Fund will help SCA in strengthening its community support pillars of safety, sustainability, regional growth and opportunity, connectedness, and community.

Cash grants of up to \$1,000 each will be provided in one round up to a maximum of \$15,000 annually.

Application for grant funding constitutes agreement with these Terms and Conditions.
