Sunshine Coast Airport Community Support Fund

As a proud supporter of our community, Sunshine Coast Airport is embracing our role as an economic enabler, relishing our place at the heart of a thriving region. We are redefining what it means to connect people and places and expand our impact beyond aviation.

In doing so, we have developed the Community Support Fund (CSF). The CSF will provide more opportunities for local businesses and community groups to pursue projects that are important to them.

Am I eligible for the Community Support Fund?

Applicants must meet the following eligibility criteria:

- Applicants must be established and based within the Sunshine Coast or Noosa Local Government Areas
- Projects and initiatives must address at least one of Sunshine Coast Airport's Community Support Pillars (Funding Categories)
- Applicants must ensure they have all the necessary insurances that may be required for their project or initiative and adhere to sound workplace health and safety practices.
- Applicants may only submit one application for a project in each funding round.
- Applicants must also indicate whether funds have been received, have been sought or intend to be sought from any other sources to help fund the project that has been submitted.
