## Flights

We will not issue flight tickets directly, but your flight voucher will contain all the necessary details for checking in online and downloading your boarding passes. Please note that the check-in window may vary depending on the airline. If you're unable to check in online, don't worry—you can still check in at the airport. We recommend arriving **at least 3 hours before international flights** and **2 hours for other flights**.

## Group Flights

If you are traveling on an **Imagine Cruising group flight**, online check-in and seat selection will not be available. These will be handled at the airport by the airline's check-in staff. Please ensure you arrive in plenty of time before your flight.

To confirm if you are on a group flight, your flight reference will begin with **IMP**.
