INFORMATION

Your Tickets

There is a world of possibilities just waiting to be explored.

Flights

We will not issue you with flight tickets, but our voucher will give you all the information you need to check in online and download your boarding passes. Times may vary for different airlines to open up the check-in facility. If you are not able to check in online, please do not be concerned. You are also able to check in at the airport, please allow at least 3 hours prior to your flight departure time.

Group flights

If you are on an Imagine Cruising group flight, you will not be able to check in online or select seating. This will be done at the airport by the airline check in staff. Please arrive in good time before your flight to complete this process.

To identify if you are part of a group flight booking, your airline reference will begin with IMP.
