When you book a holiday with us, the team can help you prepare and plan activities to make it extra special. From First Class flights to hotel upgrades, we can help you create a truly extraordinary experience.

Over the years we've arranged hotel upgrades for our customers in some of the most iconic hotels in the world, including the Burj Al Arab in Dubai, Marina Bay Sands in Singapore, San Clemente Palace Kempinski Venice, and Park Lane Hotel New York. We've also arranged for people to extend their holidays with unique experiences like seeing pandas in the wild in China and taking luxury cruises down the Yangtze River.

So, if you're looking to add some extra special touches to your holiday (no matter how luxurious or outlandish) get in touch with our Concierge Team who will be more than happy to help make your travel dreams come true.

We work with many major Airlines, Cruise Lines, Tour suppliers and Hotels to be able to offer you specially negotiated prices.
