

Thank you so much for giving me a chance
to be a kid, some things I want to do at camp is
rock climbing and trying new things. I will
get to make new friends

From: Jamal

Dear One Simple Wish,

Thank you so much for
your generous donation! It was
very hard to find a camp for
older teens who never experienced
a childhood. We are forever
grateful you gave Jamal a week
of fun he never experienced! Katy
