

Dear generous donor,

Thank you so much for the gift of the Oculus. This is something I have been wanting for a long time and whenever I looked for it in the store, it was always sold out. I am excited to use this game to connect with my friends who I cannot see as often due to COVID. I will always remember the day I received this gift because two of my wishes came true. First, I was able to be adopted by aunt who I lived with for the past two and a half years and then the day was topped off with this great gift.

Thank you,

Darius
