Dear Sir or Madam

I want to thank you for donating money for my new desk and to help someone in need. The desk I had before was small, wasn't sturdy, and didn't have enough space for my supplies. Whenever I tried to sit down to work, I would sit in an uncomfortable position or would have to use an extra chair for space.

Now, with my new desk I'll be able to focus more on my work and not worry about things falling off my desk, and I will be able to make more progress at school and at home.

I appreciate you for being so kind and donating this money for my new desk.

Sincerely;
