Dr. David Robert Dean

Chairman of the Supervisory Board
of SÜSS MicroTec SE

Chairman of the Supervisory Board of SÜSS MicroTec SE*

For more than 30 years, Dr. Dean has successfully worked at the executive level with global technology companies on their strategy and business development. After Masters and Doctoral degrees in physics and theoretical nuclear physics, he started his career in academia before moving to the Boston Consulting Group in 1985. Between 1994 and 2013, Dr. Dean was a partner (from 2002 as Senior Partner) in the Technology & Telecoms Practice of The Boston Consulting Group and held worldwide responsibility for this business between 2000 and 2006.

** Chairman of the Supervisory Board since May 20, 2020. Elected until 2026.*
