Dr. Bernd Schulte

Member of the Supervisory Board
of SÜSS MicroTec SE

Member of the Supervisory Board*

Dr. Bernd Schulte was a member of the Management Board of AIXTRON SE in Herzogenrath until March 2021. Since 2017 he had been responsible for the areas of research and development, procurement, investor relations and communication, corporate governance, environment, social and governance as well as compliance and risk management. He started his academic career by studying physics at the Technical University of Darmstadt in 1983, where he graduated in 1989. In 1993 he received his Ph.D. in Physics at the Technical University of Darmstadt. Before moving to AIXTRON, he worked as a research assistant for Hoechst AG in the early 1990s. His professional positions at AIXTRON include, for example, project and product management for the Asia-Pacific region and a management position in the compound semiconductor equipment division. From 2002 to 2017, Dr. Schulte worked as COO in the company's Management Board. In the period from October 17, 2022 up to and including September 10, 2023, Dr. Schulte served as interim Chairman of the Management Board of SÜSS MicroTec SE and returned to the Supervisory Board as scheduled on September 11, 2023.

** Member of the Supervisory Board since November 6, 2020. Elected until 2026.*
