Jan Smits

Member of the Supervisory Board of SÜSS MicroTec SE

Member of the Supervisory Board*

Jan Smits has held various management positions in established technology companies in the semiconductor industry, most recently at ASML Holding in the Netherlands where he worked for a total of around 22 years. From 2016 until 2019 he was Executive Vice President of Strategic Sourcing & Procurement. Until 2019, Mr. Smits held the positions of Director of ASML Netherlands and Member of the Executive Committee of ASML Holding in addition to heading the Strategic Purchasing Division. Prior to that, Mr. Smits was Head of the Lithography Business Unit "Deep UV" at ASML and responsible for EUV sources. From 1983 – 1997 Jan Smits worked at Philips Electronics responsible for planning, construction, and equipment of various development and production sites, most recently as Program Director Equipment and Infrastructure MOS4 of Philips Semiconductor Inc. Jan Smits holds a master degree as mechanical engineer at the Technical University Eindhoven, Netherlands. He works part time as COO of Bambi Medical, Eindhoven, Netherlands. He was elected Member of Supervisory Board at SÜSS MicroTec SE in May 2020.

** Member of Supervisory Board since May, 20, 2020. Elected until 2022.*
