

**ZARC**

# **zApex**

Next-generation  
apex locator

**SMALL AND  
POWERFUL**

**FROM ODONTOLOGISTS  
TO ODONTOLOGISTS**

**Z-Apex is designed to measure canal length.  
It is one of the smallest and lightest on the market.**

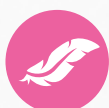

#### **WIRELESS CHARGING**

No more cords. The device charges quickly and comfortably on the magnetic base that comes included.

#### **COLOUR LCD DISPLAY**

Z-Apex apex locator comes with a colour LCD display incorporated for easy viewing.

#### **LIGHTWEIGHT AND COMPACT**

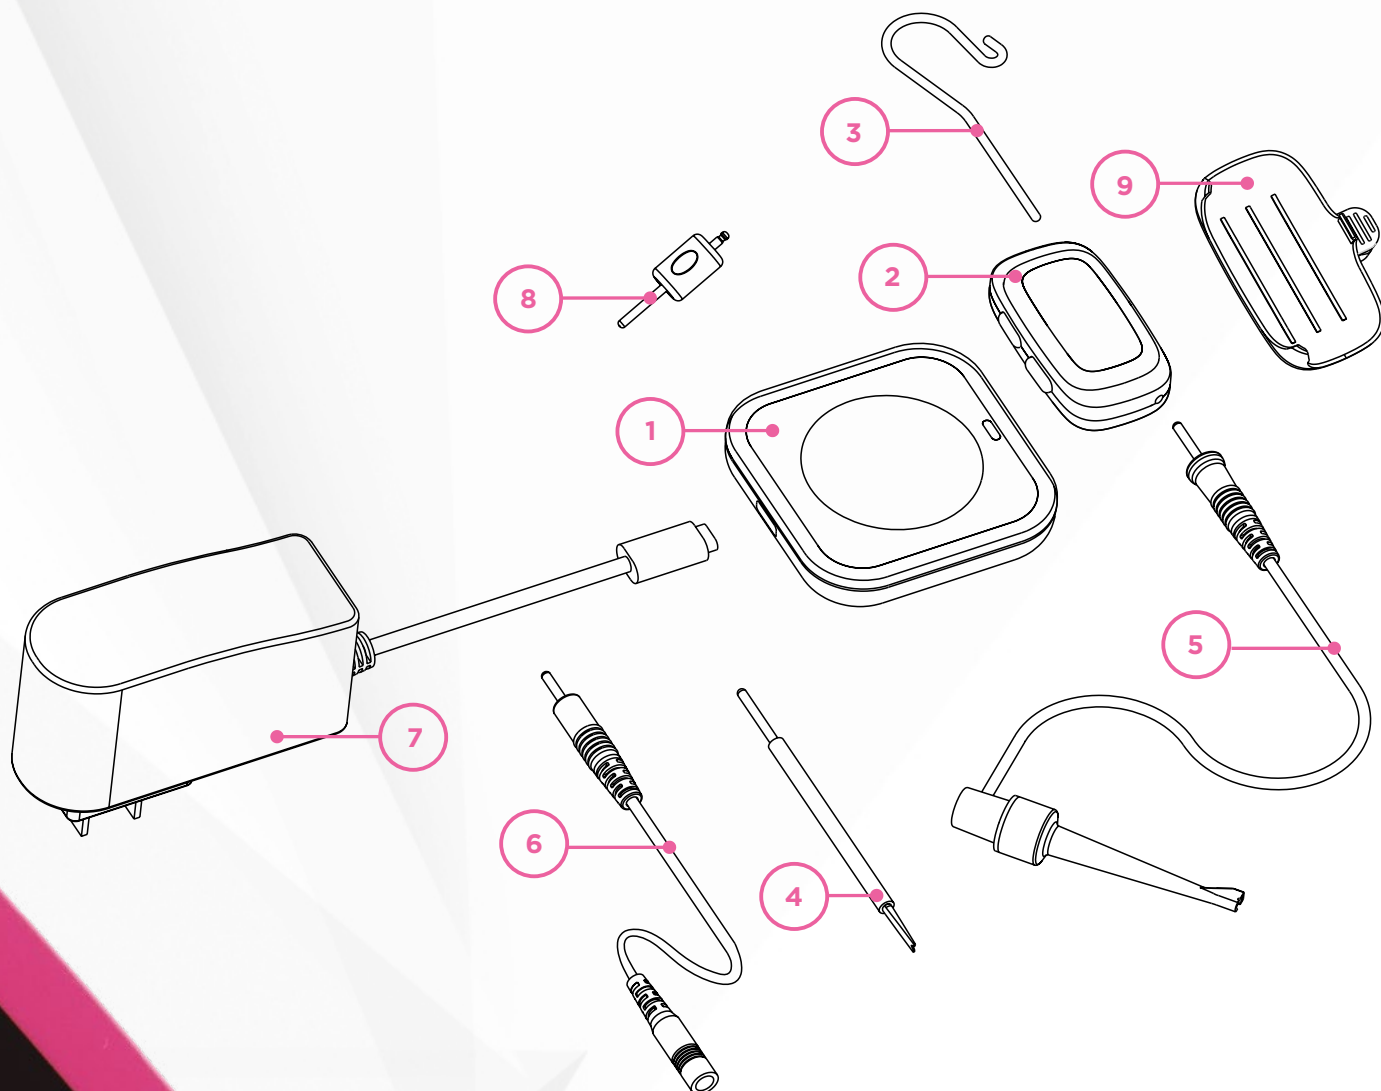

Its small size and light weight make it a very comfortable device to use. It can also be worn on the wrist for even more comfort.

**FROM ODONTOLOGISTS  
TO ODONTOLOGISTS**
