## Espresso posterior :

### Posterior composite solutions for everyday dentistry

Hands-on by **Dr Ahmed Tadfi BDS, BSc** (Styleitaliano)

Zaterdag **24 mei 2025**, Denta te Kontich

Van 12.30 tot 16.30 uur

In this course, Dr. Tadfi will delve into the latest advancements in composite materials, specifically "SimpliShade," focusing on their properties. He will share insights from his clinical practice. The session will provide a detailed composite placement protocol, outlining each critical step for achieving predictable direct restorations in routine procedures. Furthermore, Dr. Tadfi will present and analyze several of his own clinical cases, offering practical insights. The course will also include posterior composite training utilizing the Styleitaliano Espresso philosophy, facilitating straightforward and reliable composite restorations for enhanced clinical outcomes.

#### Learning objective:

1. *Diagnosis and treatment planning*
2. *Achieving isolation in the posterior region using rubber dam and the simplified ways in applying them*
3. *Cavity design and preparation for class I and class II restorations.*
4. *Bonding protocols and restoring the tooth back to its functional and anatomical form.*
5. *Long term considerations for the heavily broken down tooth - cusp rebuild and direct composite overlay.*

**Workshop met broodjeslunch
