JMI BA LLB 2026: The Ultimate GK & CA Master Blueprint

Yo future legal eagles! Welcome to the most accurate, zero-error breakdown of the **Jamia Millia Islamia (JMI) BA LLB Entrance Exam 2026**. If you're aiming for that 5-year integrated seat, this is your holy grail. Let's get it!

1. The Vibe Check (Exam Pattern 2026)

Before jumping into the grind, know the rules of the game. Total points to secure: 150.

Feature	Details
Total Questions	150 MCQs
Time Limit	120 Minutes (Speed is Key!)
Marking Scheme	+1 for Correct -0.25 for Wrong
Level	National Level (Stay Sharp)

2. The Weightage Deep Dive (2017-2025 Trends)

Don't study hard, study *smart*. Based on our "Post-Mortem" analysis, here is where the questions actually come from.

High Focus Areas (Don't Sleep on These)	Low/Medium Focus Areas
Miscellaneous (66 Qs): The random stuff you find on Reddit/News.	History of JMI (5 Qs): Know the basics (1925 shift).
Geography (49 Qs): Borders, Rivers, and Deserts.	Books & Authors (9 Qs): Iconic autobiographies.
History of India/World (46 Qs): Modern History & Revolutions.	Defence System (10 Qs): Missiles like Agni V.
Firsts in India/World (46 Qs): Records and pioneers.	Science & Tech (24 Qs): AI, Space, and Apps.

3. Subject-Wise Breakdown & Gen-Z Style Notes

A. Legal Language & English (30 Qs)

It's not just about English; it's about the *language of the law*.

- **Error Detection:** Spotting the "sus" grammar in sentences.
- **Idioms & Phrases:** "Beyond the shadow of a doubt" (meaning: 100% sure).

B. Current Affairs & General Studies (70 Qs Total)

This is where the game is won or lost.

Gen-Z Example: Think of the **Russian Revolution (1917)** as a major "system update" where the **Bolsheviks (led by Lenin)** decided the old version (**Tsar**) was totally glitchy and needed to be replaced by **Communism**.

- **Geography:** "Tropic of Cancer" passes through 8 Indian states. Think of it as a belt around India's waist.
- **JMI History:** JMI was originally in Aligarh, but in 1925, it pulled a "relocation" to Okhla, Delhi.
- **Science:** "*Light Year*" isn't about time; it's about **Distance**. It's the ultimate

long-distance relationship between stars.

C. Legal Aptitude (40 Qs)

The core of your career. Focus on Contracts, Torts, and Family Law.

D. Elementary Mathematics (10 Qs)

Quick math! Percentages, Profit/Loss, and Ratios. Keep it simple.

4. The Pro-Strategy

- **Daily Live Grind:** Consistency over intensity.
- **Mock SZN:** Attempt at least 50+ full-length mocks to build stamina.
- **Post-Mortem:** Analyze every wrong answer. Don't just move on.
