FAQ

FAQ

ARE THERE ADDITIONAL FEES?

In addition to the room rental fee, there are also additional charges for Security (\$1,100), cleaning (\$500+ dependent upon spaces), and union stagehand labor. Labor is difficult to quote without knowing in depth details about your event. Stagehand labor charges are always subject to change based on day of needs, equipment rentals, last minute changes etc. If changes to labor fees are needed, those changes will be reflected on a final invoice after your event.

WHAT DO UNION STAGEHANDS DO, AND WHAT DOES THAT COST ENTAIL?

Stagehands will handle setting up tables, chairs, providing lighting, sound, and video needs, and will take care of any equipment moves necessary. Please contact our event team for a more accurate labor quote.

- Since we are a Union House at the DSO, we have strict rules when it comes to professional photography and filming at our facility. Photography is typically acceptable but will need to be cleared by our event team, our stage manager, and possibly our PR team in advance. Film crews are NOT permitted unless they have been authorized by our event team and Stage Manager. Unauthorized film crews will not be granted access to the facility if they attempt to enter on the day of the event. *Additional labor fees may apply to outside film crews*

HOW DOES THE CONTRACT AND DEPOSIT PROCESS WORK?

Following the approval of a proposal, you will be sent a contract outlining all the DSO regulations. If we do not receive the signed contract by the date listed, it will become void and your event date will no longer be held.

- After a signed contract is returned, you will be sent a deposit invoice. The deposit is nonrefundable and will be the total amount of the room rental fee. The remaining balance will need to be paid 7 days before your event. If the remaining balance is not paid within that timeframe, your event will be canceled.
- We will need event insurance on file one week prior to your event date. The specifics of the insurance policy are outlined in the event contract.

DO YOU OFFER TAX EXEMPTION FOR NON-PROFIT ORGANIZATIONS?

Yes! If you are a tax-exempt organization, please send over your Michigan tax exemption form with the Detroit Symphony Orchestra listed as the "Vendor and Address". This form will need to be dated for prior to your event, and filled out correctly based on your tax exemption status.

DO YOU OFFER CATERING?

Catering is available! We do have an in-house caterer, as well as a list of preferred caterers with whom we have existing contracts. Catering is all handled and paid for separately from the rental.
