Project Overview

GO Expansion is transforming the GO rail network from a commuter service into an all-day, rapid system - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon.

What Is Happening

As part of preparatory activities at Aurora GO for three upcoming Major Track Closures (MTCs) in May, Metrolinx will be conducting various works including track building, grading, and conduit installations at the station and within the rail corridor up to Scanlon Court from Monday, April 20 until Friday, June 5, 2026.

As the work is happening within the rail corridor, it will need to occur while there are no trains in service along the Barrie line to ensure the safety of site workers. Please note that the 9 Scanlon Court parking lot will be closed to the public for the duration of these activities.

WHAT TO EXPECT

- Metrolinx will be conducting night works to prepare the track in advance of three Major Track Closure weekends.
- Work mobilization will begin on April 20, including fencing off the laydown area for equipment at the 9 Scanlon Court lot.
- Work will occur between three May MTCs in preparation for the weekend activities.
- Equipment to be used includes an excavator, loader, dozer, skid steer, and various trucks.
- Nearby residents may experience some noise associated with these activities.
- Noise and vibration monitors will be used to ensure noise and vibration remains below acceptable levels.
- Lights will be pointed towards the track to minimize any light pollution to the area.

HOURS OF WORK

- Work will occur at night between 11:59 p.m. and 5:00 a.m., Monday to Friday.

LOCATION OF WORK

- Work will occur on at the station and in the corridor up to Scanlon Court (see Figure 1).

PEDESTRIAN DETAILS

- There are no foreseen pedestrian impacts.

TRAFFIC DETAILS

- There are no expected traffic impacts.

TRANSIT IMPACTS

- This work will not impact GO service at Aurora GO or along the Barrie line.
- The 9 Scanlon Court parking lot will be closed for the duration of this work.

COMMUNITY ENGAGEMENT

- We thank you for your patience and cooperation as we strive to bring you enhancements at Aurora GO station.
- We have a dedicated Community Engagement team in place to work with residents and businesses in the York Region. If you have any questions or concerns about this work, please contact us anytime at YorkRegion@metrolinx.com.
