## What Is Happening?

To support state of good repair work, Metrolinx crews will be completing crossing rehabilitation work, including line painting and addressing deficiencies at the level crossing on Bloomington Rd/15th Sideroad.

To safely complete this work, Bloomington Rd/15th Sideroad will be fully closed for the duration of construction. Signage with clearly marked detour routes will be in place to help direct traffic around the closure. The work will take place overnight when trains are not in service.

## What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

## Traffic Changes

- Bloomington Rd./Sideroad 15 will be closed for the duration of the work. Signage will redirect traffic around the work zones.

## Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

## Noise & Vibration

- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

## Transit Service

- Please visit [GOTransit.com](https://www.gotransit.com) for more information about changes to your travel.
- 

## About the Project

Critical State of Good Repair projects collectively aim to ensure the safety and reliability of Metrolinx's rail network, as well as mitigate potential service disruptions and improve on-time performance, customer satisfaction and passenger comfort. This work will extend the lifespan of essential infrastructure by reducing the need for frequent maintenance intervention.
