WHAT IS CO-WORKING

Co-working communities are meticulously designed to help individuals and teams elevate their craft. By combining years of industry experience and best practices from all over the world, Kiln creates the optimal environment to help companies grow.

RUSTICA + KILN

Rustica has teamed up with Kiln to create a truly unique look in the co-working space. Our durable steel is artistically finished with a flat black powder coating in combination with our signature Pickled White Finish. This combination makes a look that is unmatched. We hope you are inspired by the Kiln Signature line.

CO-WORKING POD

Our signature and proprietary co-working office pod is built with a modular design for extremely easy installation, quick production, and shipping. The steel construction panels are powder coated to make a tough finish that will stand the rigors of office life. The viewable area is customizable with clear tempered glass. The pod is easily accessible with a beautiful French style sliding barn door and hardware.
