With the pen-dant, deep as mid-night, North we ask you: be here now._
With the blade as sharp as morn-ing, East we ask you: be here now._
With the wand, di-rect-ing pow-er, South we ask you: be here now._
With the cup, the hol-y cha-lice, West we ask you: be here now._
With the drum and with the cauld-ron, this we ask you: be our guide.
